**OKLAHOMA**

This selection admits the following:

- students at the University of Siena who are enrolled for a three-year undergraduate course (Laurea Triennale), or a master’s programme who are in the following departments: Educational Sciences, Human Sciences and Intercultural Communication, Philology and Literary Criticism Ancient and Modern, Historical Studies and Cultural Heritage, Social Political and Cognitive Sciences, Political and International Sciences.

Please note that successful applicants will be able to go on exchange only in the first semester.

Acceptance of post-graduate students is subject to the approval of the relevant department at the host university.

Successful applicants will be exempt from tuition fees at the host university save for the obligatory administrative fee of 150 USD per semester.

There is the possibility for sufficiently prepared students to undertake support teaching roles in Italian courses at the University of Oklahoma. This work would be paid according to the criteria of the host university.

Depending on financial ability, the host university will offer a scholarship of 2000 USD for each of the selected students.

The relevant office at the University of Oklahoma will aid in finding suitable and affordable housing for the student.

Costs related to travel, housing, food, and obligatory health insurance are the student’s responsibility.

The host university is committed to accepting students with language certificates issued by the University Language Centre (Centro Linguistico del Ateneo) at level B2 or equivalent certificates.

All students participating in this mobility must have a valid passport which will not expire while abroad. The host university will prove the necessary documents for obtaining a visa.

Enrolment at the University of Oklahoma is subject to the approval by the host university and the student must obtain the relevant visa from the US Consulate.

FLORIDA

UNIVERSITY OF WEST FLORIDA - Pensacola
4 spots lasting one term each

This selection admits the following:
✓ students at the University of Siena who are enrolled for a three-year undergraduate course (*Laurea Triennale*), a two-year master’s programme (*Laurea Magistrale*), or a single cycle four or five-year master’s degree programme (*Ciclo Unico*).

Successful applicants will be exempt from paying tuition fees at the host university. Costs associated with travel, food, housing, and health insurance are the responsibility of the student. Accepted students are also responsible for any costs related to books, transport, passports, and personal expenses.

Students may be allocated university housing, available approximately three days before the start of the semester until the day after the end of the semester. Students will also have access to university dining halls and to a series of meals whose costs vary depending on their composition.

Students must have insurance conforming to the host university’s requirements. This insurance is the responsibility of the student. Students may be exempted from buying the required insurance from the host university, should the student already possess equivalent coverage.

Successful applicant must satisfy the entry requirement of the host university. The student must meet all language requirements.

The host university will inform the successful candidates as soon as possible of their definitive acceptance.

Students must have a valid passport which will not expire while abroad. The host university will provide the necessary document for obtaining a visa.

At the University of West Florida students from Siena may attend courses at the undergraduate and master’s level, although admission for master’s students and other post-graduate student is subject to approval by the relevant coordinator.
