You will not be able to take the final exam of the course if you do not answer at least the first question of the survey

THIS IS THE FIRST, BLOCKING QUESTION

Do you want to answer the survey?

If you choose Yes => you'll proceed to fill out the rest of the survey
(highly recommended to express your thoughts)

If you choose No => you'll have to answer the following question, but you'll miss a great opportunity:

Why don't you want to fill out the survey?

- Other _____

Once your answers will have been collected,
you will be able **to analyze the results**
together with the teachers and verify the
